

Lecture 2 Warmup

Identify the structure: Mark the tags you *should* use in the **body** areas on the HTML “wireframe below”. Discuss with your neighbors! There may be a few “good” solutions.

```

<head>
<header>
<main>
<footer>
<article>
<section>
<nav>
<title>
<ol>, <ul>
<li>
<h1>, <h2>, <h3>
<hr />
<code>
<b>, <strong>
<button>
<p>
<figure>
<figcaption>
<img />

```
